Waterfall App Available for iPhone & iPad

COMPETITIVE PRICING **AT YOUR FINGERTIPS**

Waterfall's revolutionary new app for smartphones and tablets provides you with the tools that you need to submit quotes, view product information, technical details, and options such as glass and finishes, all at the touch of a button. This gives you the ability to provide on demand information to potential customers while on location. Submitting a quote is now as easy as filling in a few blanks. We even take care of the drawings and takeoffs for you, leaving you more time to do what you do best - Sell more Waterfall. This app is the only product of its kind available in the industry and is yours to download absolutely free with no recurring fees.

USING THE WATERFALL APP

1. Download the free app on the Apple App Store or at www.waterfallbathenclosures.com/app
2. Create a profile. Once approved you will be notified via email.
3. To request a quote select “Request a Quote” from the main menu. Products are arranged by category to make it easier for you to find the enclosure type that you are looking for (fig. A).
4. Fill-in the required fields based on your options and measurements (fig. B), when complete, select “Submit” from the top right.
5. Your job has now been submitted for quoting and is stored for your review under “My Jobs” (fig. C) in the main menu. Once quoted, you will receive a push notification and your job status will change from “Pending” to “Replied”.
6. Your quote will be emailed to you for approval. Your approval provides authorization to proceed with ordering the quoted unit. Make sure you have reviewed your dimensions and selections very carefully.
7. In addition to quoting capabilities, the Waterfall App can also be used for viewing [Product Information](#), [Detail Sheets](#), [Installation Instructions](#), and much more all housed in the main menu (fig. D).
